NEWS & JOURNEYS OF JOY! :: VOL. FOURTEEN, NUMBER EIGHT :: DEC. 2018

Happy Holidays! I am grateful...

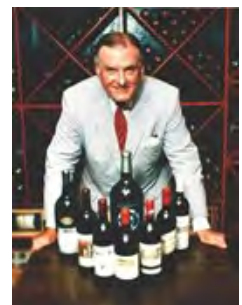

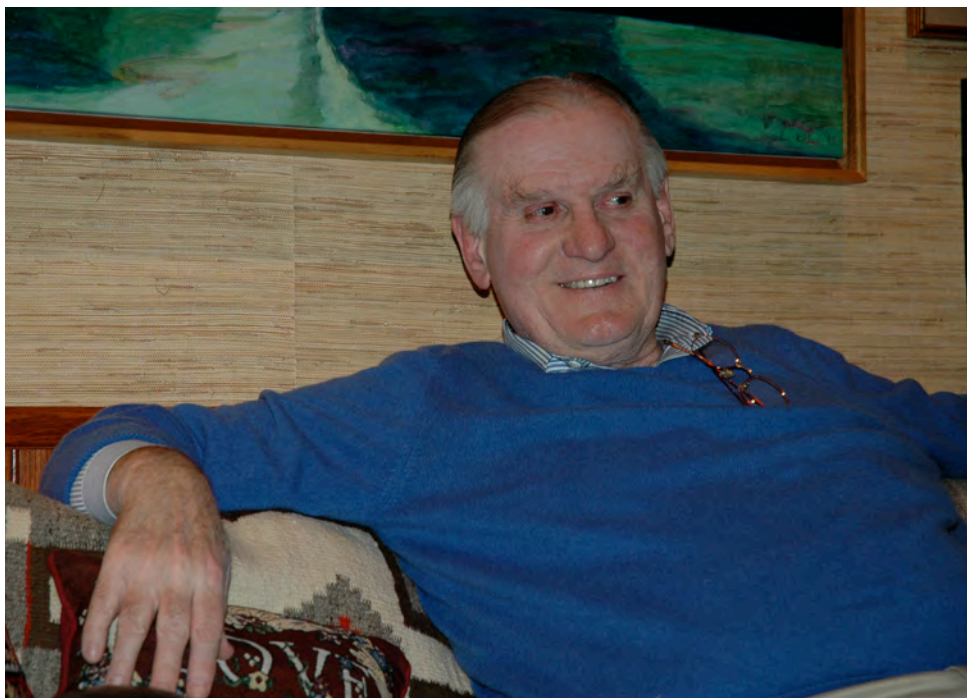

Nov. 8, 2018: I feel very lucky. Today my Dr. Krainik reports that my heart is beating well and my blood pressure is very good. Dr. Krainik performed my ablation three years ago, Dec. 12. My good Dr. Varsha Rathod and Dr. K worked together to take me off all heart meds within the first year after the ablation. My doctors are so very good. I was fortunate to meet Dr. Harvey Walker Jr. back in the late 70s. He taught me to practice Preventive Medicine, which happened to be the name of his practice. Dr. Rathod bought his practice when Harvey retired in the late nineties. Life is good.

Nov. 9, 2018: Happy Birthday, Mom! My mom was born in 1904 and would be 104 years old today. I wish we could talk.

Nov. 13, 2018, 11:15AM: The American Artists Professional League announces “Lord of the Couch” MW earned the Lelia Gardin Sawyer Memorial Award in its 90th Annual Grand National Exhibition 2018. YAY!

Nov. 14, 2018: Sadly, I learn from our friend Betsy Tyrell her husband Gerald died of a heart attack last evening. He was a 79-year-old mischievous sweetheart of a wine connoisseur. He donated his body to the University of Louisville.

Gerald asked to have a party in his memory. Barring a blizzard, we will attend on his birthday, Dec. 27, in Louisville. Gerald is shown here when he and Betsy visited for Christmas 2009.

Nov. 15, 2018, 8:32AM: We awaken to 27 degrees and gently falling snow. By early afternoon, the snow is deeper and the temperature is warmer.

Our Japanese maple branches nearly reach the 2 1/2 foot tall abelea in lower left center. Our pond is frozen. Look carefully to see the trunk of the Japanese maple in the center of the photo.

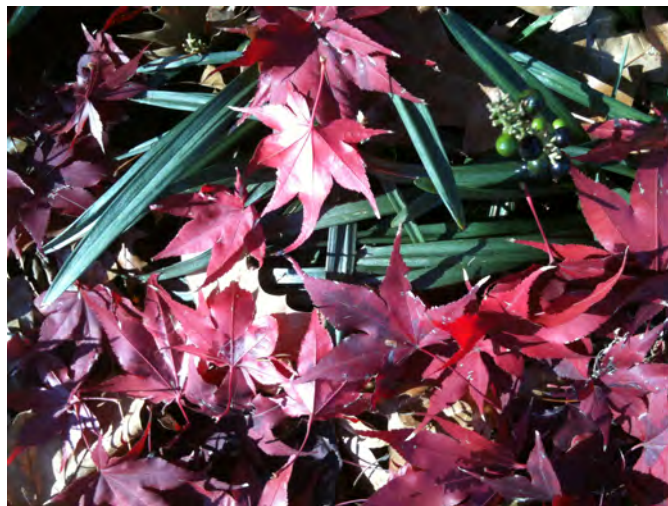

Snow falls in my face as I prune the tree to raise the canopy. Mother Nature helps a lot; I could not reach the branches without the heavy snow!

Nov. 18, 2018, 9:12AM: The canopy of our Japanese maple is as high as I had hoped. I hope its branches are safe from damage during the next heavy snowfall. Brian's yellow submarine, his FJ Cruiser, is across the cul de sac.

Fast forward, briefly: Nov. 28, 2018: Same tree, different angle. Its leaves are ghostly, almost white after having been deeply frozen at 20 degrees. Normally, leaves would have fallen by now. The next photo shows leaves from the same tree as they appeared on November 13, 2012.

Nov. 21, 2018: An email arrives from the English lady who commissioned "A Good Life" MW.

"Well, she arrived safe and sound and fits exactly where I wanted her - sun bathing in front of the kitchen patio door!

"Thank you so much for making this in time for Barry's birthday.

"The colour is great and looks so much like Morgan - the first lady we had!!

"I will forever be grateful! "Thanks again, Karen x"

The one absolutely unselfish friend that man can have in this selfish world, the one that never deserts him, the one that never proves ungrateful or treacherous, is his dog.

George Graham Vest ... Thank you Steven G. for your card that included this truthfulness.
